Ain't no more jukkin over here  
Watch me swag it to the floor  
Under sea  
I'll pop it off  
And now you scared to get it crunk  
But if you talkin like you hard  
It's garrentied that we gone bump  
Hit the club  
20 deep and we the first to hit the floor  
You can't crank it like me  
Cause I came to steal the show  
Center of the stage  
I'm the center of attention  
When I swag it on the floor  
I got all the girls attention  
Good boy G-E-N-T  
I get payed to crank my dance  
Got a problem with this boy  
Then you gonna see me crank my hands  
So no, it ain't no secret  
Mafias on the floor  
You can see just who it is  
It's POZ if you ain't know
