

# Crash Rickshaw, El Gato

What's true for you  
Is not what's true for me  
At least I think that's true  
So don't disagree  
It's all about how you feel  
There's no right or wrong  
At least I think that's right  
So don't say I'm wrong or you'll be wrong  
You'll be mistaken  
According to myself  
Don't treat me unfairly  
Or you'll be mistaken  
As much as I can tell
