Crash Romeo, On Deaf Ears We Ride Tonight

Wonder how you've been? Do all of my pictures still Hang above your bed? Remember when, Under the overhead You smoked your brand And I stayed quiet As the ashes burnt my hand? Take this For what it's worth; Every part of you Is part of me -It parted us. On deaf ears We'll ride tonight, Past the corner store And through the red lights. And when it's time To say goodbye Will you tell me sweetheart, When I lose my mind? Take this For what it's worth; Every part of you Is part of me -It parted us. Guess I lost the battle for Gracious Green eyes have Turned blood red And they're staring me dead. Guess I lost the battle for Gracious Green eyes have Turned blood red And they're staring me dead. Me dead. I followed you Across the beach, You let the water Touch your feet And this is how It's supposed to be -The two of us Die at sea. Take this For what it's worth; Every part of you Is part of me -It parted us.

Guess I lost the battle for Gracious Green eyes have Turned blood red And they're staring me dead. (3x)
