

Crash Test Dummies, The Unforgiven Ones

The guilty and the innocents
The prisoners and the free
The ugly and the beautiful
The ones who are yet to be

Some are sinners, some repent
Some are never done
And then there's those like you and I
The unforgiven ones
The unforgiven ones

The rock that ships run up against
No matter how they tack
The murderers and the murdered ones
And the ones who don't come back

Some are sinners, some repent
Some are never done
And then there's those like you and I
The unforgiven ones
The unforgiven ones

The one whose heart is of a saint
The other's black as night
The one who never wondered
What made something wrong, or right

Some are sinners, some repent
Some are never done
And then there's those like you and I
The unforgiven ones
The unforgiven ones
