

Craving Theo, Hold Me Down

Can you feel me
in your memory ?
Can you taste me
my bitter lonely ?

I'm drowning slowly
in your memories
Can you save me ?
I'm dying slowly
Hold me down
Hold me down

All you left here
a shadow of anger
All you have here
a tired stranger

I'm drowning slowly
in your memories
Can you save me ?
I'm dying slowly
Hold me down
Hold me down

Now we have it
wrinkled sadness
Now we lost it
timeless madness

I'm drowning slowly
in your memories
Can you save me ?
I'm dying slowly
Hold me down
Hold me down
