

# Craving Theo, Stomp

Look around you do you see?  
Can't get a grip on what i need  
Stomp me, kick me down

Turn on me like a dying disease  
Can't get a fix what's kiling me  
Give me a reason why

Why?      Why?  
Why are you kicking me?  
Why?      Why?  
Why are you kicking me down?

On my knees hear my scream  
All i need now is a little relief  
Stomp me, kick me down

Standing there controlling me  
I won't play a role in society  
Give me a reason why

Why?      Why?  
Why are you kicking me?  
Why?      Why?  
Why are you kicking me down?

Why?      Why?  
Why are you kicking me down?  
Why?      Why?  
Why are you kicking me down?

Why?      Why?  
Why are you kicking me?  
Why?      Why?  
Why are you kicking me down?
