Crawl Australian, This Way

Faces I remember, I'll still see And places in a memory, hold on to me I can't wait to crawl out of my shell Promises tell me in a thousand ways Movin on forever Livin' life this way And i can't wait to crawl I can't wait at all I can't wait to crawl

Cuz if I wait too long How am I ever gunna reach my destination? And now I know the time has come It's all right here yeah It's all so clear to me

Eyes that open slowly It's so hard to see I've never seen an angel But I'm trying to believe

And I can't wait to crawl I can't wait at all I can't to crawl I can't wait anymore I can't wait anymore I can't wait anymore
