

# Crawl Australian, White Limbo

City sleeps, taxi sweeps  
Avenue of broken dreams  
No-one calls the angel falls  
Alice is in wonderland

White man dance heat romance  
Neon fashion chatter  
Alice is in clubland

Wo-oh-oh-oh while limbo  
Wo-oh-oh-oh while limbo

She's no Juliet or gigolo  
Years may come  
Years may go  
Alice is in limbo

Alice cried, there's no romance  
It's a hopeless dance  
Babylon is broken  
Alice cried the dream has died  
There is no wonderland
