

# Crazy Friendz, Unreal

I thought you would  
Fit in my world  
And I never suspected  
You could go away  
What do you do -  
I just hang around all day and night  
Where do you go -  
My way of life has tumbled  
And I

I know, what I feel  
But it all seems so unreal  
For me  
And I just can't go on  
Without you I'm not strong  
Oh no

Where do you go?  
What do you do?  
- I don't know!

My only chances escaping fast  
Our coproduced dream  
Just doesn't seem to last  
And I  
I really do, really do  
Loving you

I know, what I feel  
But it all seems so unreal  
For me  
And I just can't go on  
Without you I'm not strong  
Oh no

Where do you go?  
What do you do?  
- I don't know!

Unreal are our dreams  
Unreal so it seems  
Unreal our love  
Unreal the promise of  
You to stay with me forever

I know, what I feel  
But it all seems so unreal  
For me  
And I just can't go on  
Without you I'm not strong  
Oh no

Where do you go?  
What do you do?  
- I don't know!

Where do you go?  
What do you do?  
- I don't know!

I don't know  
I don't know

It's all so unreal

It's all so unreal

It's a dream?
