

# Crazy Horse, Nothing

I will say good-bye please don't cry  
I want you to know that I didn't lie  
Now I'm looking at you  
I'm thinking about what to do  
If I could give a time  
Knowing that later would be mine  
So I wanna know, so I wanna show

Chorus:

No I'm nothing  
Or do I seem something?  
I haven't nothing for saying  
But I go my way  
I used to be confused, nothing to lose  
Cause I'm not anything  
I thought about something new  
That you didn't know  
About I can say  
Only for you every day  
But I'll really change  
I think all can be chance  
So I wanna know, so I wanna show

Chorus

Nobody will be I'm waiting  
Nobody will be I'm attending  
Or maybe it'll be there  
Or maybe it'll be here  
And to forget, you will try  
The last word is good-bye

Chorus
