

# Crazy Loop, Love Maria

I'll love Maria  
Always  
I'll love Maria  
Always true  
Always true  
She is perfect.

I want you to feel what I'm feeling  
I want you to see what I see  
Got 80's on my brain.

I'll show you the colors your missing  
Cause I live the moment each day  
Got 80's on my brain.

And now you feel it  
And now you see it  
And I would do anything  
To have her closer close closer.

I'll love Maria  
Always  
I'll love Maria  
Always true  
Always true  
She is perfect.

She's perfect like you...

80's! My brain!  
80's! My brain!

Come get on this roller coaster  
Don't be afraid be as free  
As 80's on my brain.

Look through my eyes and get closer  
This is the time to believe  
Got 80 on my brain.

And now you feel it  
And now you see it  
And I would do anything  
To have her closer close closer.

I'll love Maria  
Always  
I'll love Maria  
Always true  
Always true  
She is perfect.

She's perfect like you...
