

CrazyTown, Players

(seth binzer, bret mazur, a. valli, bernard williams)

No doubt I'm the one your mama warned you about
I'm know for taking ladies home and turning them out
Like kissing all the girlies and making them cry
I'm a wise guy with wits
The opposite of shy
Make your girl's pussy shiver when she looks in my eyes
So uh.

One's for the money two's for the honeys
Three's for the pimp's players and the playboy bunnies
You best believe I throw down
Ain't no need to slow down
You name the place and the time
Find mr. shifty at the show down
Tearing you up that's why all the fly girls just can't get enough
Said I loved you, and you believe it was true
That's hilarious but you mother should have warned you about guys like us
Freak, freak y'all yeah, you know what I'm saying
'cause players only love you when we're playing.

Chorus:

Now players only love you when we're playing
These women they will come and they will go and all you players know just what I'm saying
It's amazing just how many girls we know.

I know it ain't right
But I don't want to change I've got so many dames, I can't remember their names
But don't be confused cause girls are players too
So, we're going to tell you about a girl we knew
She was a pretty rebel a punk rock girl with a wicked sex drive and the mind of a devil
Like agent 99, under cover all the time
You want another kiss you better rack another line
Unique in design this freak was kind of fine but she's not the only one

There's plenty of her kind.
Ain't nothing funny baby her games so tight she can make the sun shine in the middle of the night
She knows what she wants and she gets it when she wants it
She knows that you want it
She's got it, so she flaunts it
So, get up on it
You know the old saying
Players only love you when they're playing.

Chorus:

Only the strong survive I come alive and hit my mark
The after dark player caper can't lie, I'm on the take
A heart breaker tonight the ladies call me mr. right and others call me a freak girl, it's ok if you bite
Some like it violent
Mr. mysterious type
Strong and silent
King player
I cast a hex
Inebriated talk of sex
(epic, I'm so into you)
Manipulation
I'm talking triple x rated
Sophisticated, I'm game to elevate your mind
An understated flirt
The chemistry's hot
You can't deny and realize the size of it
I can see it in your eyes I'd love to touch you baby

And taste the essence of you
You want to play?
Now, let me hear you scream out my name
Players only love you when they're playing.

Chorus
