CrazyTown, Players(Only Love You When They'r

No doubt i'm the one your mama warned you about im known for taking ladies home and turning the Chorus: Now player's only love you when we're playing these women they will come and they will go i know it aint right but i dont want to change ive got so many dames i can't remember their names be Chorus:

Only the strong survive i come alive and hit my mark the after dark player caper can't like i'm on t Chorus:
