

CrazyTown, Revolving Door

CHORUS:

Now ladies come, ladies go out my revolving door/ some Ladies never come back, / Most come back for more I've got a house in the hills/ With a door that spins/ Goes in and out, out and in/ 'Round 'round again.

I live a life these player haters would love to be living/ since a kid, I've been surround by beautiful women/ and slippen' in them to win them/ The unforgiven/ Still some thing's missing, 'cause deep inside I'm suffering of a lonely I could find a girl that would take me away from the chaos of the city and the everyday part that I play/ tell me why lay low, why say no when I got girls serenading at my window/ Ladies good to go/ We's Major league/ the new breed no so-so. / Highly advanced and got the game to get in and girls Pants and romance her stone/ 'cause I more than hold my own they call me Shifty Capone/ I make them moan/ Yes, I'm the one between the sheets, I amaze and stun aiin't no need for me to brag about the way that I'm hung/ Let's just say I got the skills to get the flyest girl sprung/ Or to take and more/ An older lady feel young.

CHORUS

I keep my girls in rotation door Rotating/ You looking for a good time,/I'm always on vacation/ You could stop by baby, If you want to try your luck But don't waste my time, unless you're down to f**k/ unless your coming back for more, Well then you know what's up/ you know the routine Girl, you're not the one you're just a one night fling/ Some ass to hold Casanova over till the right girl pass, I'll drop this lifestyle fast/ 'cause what I'm looking is the one that will last and make my present past/ My adolescence surpassed/ by the will to chill/ I'm looking for something real In' a world of fake ho's in high heels/ I'll drop that hot wax on you nipples causing trouble and when you ride me/ Yo'll I'll be throwing that triple double/ My sex drives kicking I'm sexually exploring/ So many possibilities/ It seems my life can never get boring/ 'cause I'm not f**king around/ I'll run down the right way I'll rock your world nightly/ So, can I hit it lightly? Yo girl I like it like that / Let me hit from the back I'm a natural aphrodisic better Know as a mac.

CHORUS
