

# Creed, Is This The End

The rage in my eyes  
Could have compared to the eye of the sun  
Then rain  
Took its course Through the hands of the son  
Revenge for all time  
The world is at war leaving all hope (fault?) behind

So, is this the end for us my friend?  
So, is this the end for us my friend?  
The saints(?) in the sky  
Are there to remind us of man and his fight

When two worlds collide  
One steals a life like a thief in the night  
So look to the sky  
He holds the keys for your life and mine

So, is this the end for us my friend?  
So, is this the end for us my friend?  
So, is this the end for us my friend?  
So, is this the end for us my friend?

Well, as the wind rides (Well as though we rise?)  
As the day breaks for (the?) dawn  
And as the moon hides the sun, oh the sun  
No more sorrow  
All those crying days are gone  
No more sorrow, now its gone  
Now it's gone  
Now it's gone

So, is this the end for us my friend?  
So, is this the end for us my friend?  
So, is this the end for us my friend?  
So, is this the end for us my friend?  
So, is this the end for us my friend?
