Creed, My Own Prison

A court is in session, a verdict is in No appeal on the docket today Just my own sin The walls are cold and pale The cage made of steel Screams fill the room Alone I drop and kneel

Silence now the sound
My breath the only motion around
Demons cluttering around
My face showing no emotion
Shackled by my sentence
Expecting no return
Here there is no penance
My skin begins to burn

And I said oh

So I held my head up high Hiding hate that burns inside Which only fuels their selfish pride

And I said oh

All held captive
Out from the sun
A sun that shines on only some
We the meek are all in one

I hear a thunder in the distance See a vision of a cross I feel the pain that was given On that sad day of loss A lion roars in the darkness Only He holds the key A light to free me from my burden And grant me life eternally

Should have been dead On a Sunday morning Banging my head No time for mourning Ain't got no time

Should have been dead On a Sunday morning Banging my head No time for mourning Ain't got no time

And I said oh

So I held my head up high Hiding hate that burns inside Which only fuels their selfish pride

And I said oh

All held captive
Out from the sun
A sun that shines on only some
We the meek are all in one

I cry out to God Seeking only his decision Gabriel stands and confirms I've created my own prison

I cry out to God Seeking only his decision Gabriel stands and confirms I've created my own prison

And I said oh

So I held my head up high Hiding hate that burns inside Which only fuels their selfish pride

And I said oh

All held captive
Out from the sun
A sun that shines on only some
We the meek are all in one

And I said oh

So I held my head up high Hiding hate that burns inside Which only fuels their selfish pride

And I said oh

All held captive (I've created)
Out from the sun (I've created)
A sun that shines on only some (I've created)
We the meek are all in one (I've created my own prison)

Should have been dead On a Sunday morning Banging my head No time for mourning Ain't got no time
