

Creed, Weathered

I lie awake on a long, dark night
I can't seem to tame my mind
Slings and arrows are killing me inside
Maybe I can't accept the life that's mine
No maybe I can't accept the life that's mine

Simple living is my desperate cry
Been trading love with indifference
Yeah it suits me just fine
I try to hold on but I'm calloused to the bone
Maybe that's why I feel alone yeah
Maybe that's why I feel so alone

'cause me, I'm rusted and weathered
Barely holdin' together
I'm covered with skin that peels and
It just won't heal
It just won't heal
No it just won't heal oh no no

The sun shines and I can't avoid the light
I think I'm holding on to life too tight
Ashes to ashes and dust to dust
Sometimes I feel like giving up yeah
I said sometimes I feel like giving up

Me, I'm rusted and weathered
Barely holdin' together
I'm covered with skin that peels
And it just won't heal
And it just won't heal
It just won't heal no

The day reminds me of you
The night hides your truth
The earth is a voice
Speaking to you
Take all this pride
And leave it behind
Because one day it ends
One day we die
Believe what you will
That is your right
But I choose to win
I choose to fight
To fight

'cause me, I'm rusted and weathered
Barely holdin' together
I'm covered with skin that peels and it just won't heal
I'm rusted and weathered
Barely holdin' together
I'm covered with skin that peels and it just won't
Covered with skin that peels and it just won't
Covered with skin that peels and it just won't heal
