

# Crematory, In My Hands

In my hands - Holding the dust of time  
In my hands - Giving the night shadows  
In my hands - Seeing days gone by  
In my hands - You'll sleep 1000 years

My life is your life - The anguish fading  
My thought are your thoughts - Sign of evil  
My soul in your soul - Judgement day  
My hands in your hands - I bring you life  
My pain is your pain - The forgotten  
The last breath is taken  
The last breath is taken

In my hands - In my hands - In my hands  
In my hands - In my hands - In my hands

In my hands - I see the torment and the corpses  
Follow the stream of the burning fire deep in your soul  
Deep in your soul

Your death is my demise - The astral body weakens  
Your brain in my brain - Waiting for new life  
Don't you call me Jesus Christ ?  
Christ  
Don't you call me Jesus Christ .

In my hands - In my hands - In my hands  
In my hands - In my hands - In my hands
