

# Crest Of Darkness, Hominis Nocturna

they're watching your face  
a face shining with excitement  
they're feeling your strenght  
you're so full of life

a dream  
living forever  
in the twilight zone

they're everywhere  
you don't know them/they know you  
they're always searching  
for a victim made of flesh and blood

they're the Gods of Darkness  
embodiments of the night  
they're the bringers of magic  
strong and powerful

a dream  
living forever  
in the twilight zone

HOMINIS NOCTURNA

a dream  
living forever  
in the twilight zone

they're watching your face  
a face shining with excitement  
they're feeling your strenght  
you're so full of life

a dream/your dream  
your dream/their dream

HOMINIS NOCTURNA

a place with no memories  
simple moments of beauty  
can't last forever  
love isn't the only truth  
we can't stay together

nobody knows what I feel  
who could ever understand  
I'm not a believer  
I won't see the promised land

FOLLOW ME  
DIE  
FOLLOW ME  
COMMIT SUICIDE

I'm so sad and lonely  
but I don't wanna change my life  
I've found my own solution  
in my hand/cold steel/a knife

I've always heard  
this clear and mighty Voice  
a call from the eternity  
it gives me no choice

DIE  
FOLLOW ME  
COMMIT SUICIDE
