Criminal, Pressure

Rising up Tearing down What you are

Threatening Never seen All around

Every face Every eye Watching you

Weakening Grip of pain Won't let go

All that you see All that you hear All that you feel All that you fear

Pressure [x6]

Paranoid Self destroyed Sickened mind

Burning up Torn to shreds From inside

Desperate Cannot stand The distress

Helpless Hopeless Lifeless

All that you see All that you hear All that you feel All that you fear

Pressure [x6]
