

Crimson Moonlight, Eternal Emperor

Lord, eternal emperor of all.
In the nocturnal woods of moonlight
your name I call.

Through thy word we get wise
and in thy power we shall rise.

In this time of sorrow and despair
mercy Lord thy name we trust.
Sin and evil will follow everywhere
but in the name of Jesus:
Satan you have lost!

Master, Christ, Jesus
Ruler of day and night.
Within thy force we fight.
I thank you Lord Jesus
for your blood and grace.
Through that I can meet you God
face to face.
