

Crimson Moonlight, Eternal Emperor (Revised Version)

Lord, the eternal Emperor of all.
In the nocturnal woods of moonlight
Your name I call.
Through thy word we get wise,
and in thy power we shall rise.
In this time of sorrow and despair.
Mercy Lord thine name we trust
Sin and evil are follow everywhere
But in the name of Jesus:
satan you have lost!
Master Christ, ruler of day and night
Within thine force we're fight.
I thank you Lord Jesus,
for your blood and grace.
Through that I can meet you God
face to face.
Holy One, keeper of the Golden Key
Thy Blood have made me free
Eternal Emperor, eternal Emperor.
