

# Crimson Moonlight, Eternal Emperor (Revised Version)

Lord, the eternal Emperor of all.  
In the nocturnal woods of moonlight  
Your name I call.  
Through thy word we get wise,  
and in thy power we shall rise.  
In this time of sorrow and despair.  
Mercy Lord thine name we trust  
Sin and evil are follow everywhere  
But in the name of Jesus:  
satan you have lost!  
Master Christ, ruler of day and night  
Within thine force we're fight.  
I thank you Lord Jesus,  
for your blood and grace.  
Through that I can meet you God  
face to face.  
Holy One, keeper of the Golden Key  
Thy Blood have made me free  
Eternal Emperor, eternal Emperor.
