

Criss Angel, Darkest Day (JS)

(JS inspired, enriched and touched so many lives in the deepest and most profound way. Now you

Why aren't you here

Why does life seem so unfair

You were strength in my darkest days

Now how can I face the world

Alone - I need you here

God tell me why

My friend is gone

and I'll give up forever to be with you

So tell me why - My friend is gone

Why God - my friend is gone

Tell me why my friend is gone

Won't you come back to me

In my dreams I want to see

All the promises we made come true

And to have just one more time - with you

Forgive my negativity

This world is cold and empty

They tell me time will heal the pain

But I know I'll never be the same

Without you - I need you here

All that I am is due to you

Do you see that you live in me

Eternally I'll always be

Connected and reflected to your memory

Can you see me can you feel me

Can you hear me can you heal me

I can't take this I can't fake this

I can't shake this Life is so unfair

I need you here - please
