

# Criss Angel, Procreation

Automatically, emphatically...is let you know  
I gotta let you go [uh, uh]

Automatically, emphatically...is let you know  
I gotta let you go [uh, uh]

I had a dream  
We're ruled by consciousness  
Undemented eyes  
Blind conditions  
Procreation  
Maybe I'm crazy, but you know I'm not some...  
[robot] nut job, not another nut job

(ahhhhhhhh)  
Stretch that skin  
spit me out  
I'm not you  
Procreation  
(ahhhhhhhh)  
rubber room  
body in the womb  
spit me out  
[uh, uh]  
Procreation

I can't forget  
real life sees...resurrects  
See you, plant a seed  
my stomach gives  
you're inside me  
Maybe I'm crazy, but you know I'm not some....  
[robot] nut job, not another nut job

(ahhhhhhhh)  
Stretch that skin  
spit me out  
I'm not you  
[uh, uh]  
Procreation  
(ahhhhhhhh)  
Rubber room  
body in the womb  
spit me out  
[uh, uh]  
Procreation

[spoken] That pisses me off

[whispered] I'm not a nut job  
I'm not a nut job  
I'm not a nut job  
[uh, uh, yeah]  
Everyone's a nut job  
but I'm not a nut job  
(give it to me)  
I'm not a nut job  
(give it to me)  
I'm not a nut job  
give it to me!

Automatically, emphatically...is let you know  
I gotta let you go.  
I just can't go.

It keeps suck, sucking me in  
so, here I go  
[uh,uh]

(ahhhhhhhh)  
stretch that skin  
spit me out  
I'm not you  
[uh, uh]  
Procreation  
(ahhhhhhhh)  
rubber room  
body in the womb  
I'm not you  
[uh, uh]  
Procreation

I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not a nut job  
[whispered] nut job  
I'm not, I'm,  
[whispered] nut job  
I'm...  
I'm not a  
nut job, I don't think so
