

Cristopher Cross, Arthur's Theme

Once in your life you'll find her
Someone who turns your heart around
And next things you do
You're closin' down the town

Wake up and she's still with you
Even though you left her way across town
You're wonderin' to yourself
Hey what I've found

When you get caught between the moon and Nw York City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
The best that you can do is fall in love

Arthur he does what he pleases
And all of his life his master's toys
And deep in his heart
He's just he's just a boy

Living his life one day at a time
He's showing himself a really good time
He's laughin' about the way
They want him to be

Whejn you get caught between the moon and New York City
I know it's crazy but it's true
If you get caught between the moomn and New York City
The best thing you can do
The best thing you can do is fall in love
