

Cro-Mags, Hard Times

Hard times coming your way
You're gonna have to rise above them someday
Organize your life and figure it out
Or you'll go under without a doubt

Hard Times x 2
Seems I'm being forced into a mold
Hard Times x 2
Forcing me and I'm growing cold

Hard times coming through
But if you're hard it won't get to you
They're gonna try to drag you into the ground
But never surrender, never go down

Hard Times x 2
Seems I'm being forced into a mold
Hard Times x 2
Forcing me and I'm growing cold

Cro-Mag!
Skinhead!
Breakout!
Now.....
