

Crooked X, Adrenaline

I'm gonna take this bad bull by the horn
Even if I wind up tossed and torn
Gonna do it to it all the way
I'm livin' till my dyin' day
I never seem to get my fill
And here's my latest thrill...

Fifteen hundred pounds of adrenaline
Gonna ride this rocket ship until I win
If it's the end of me, notify my next of kin
Fifteen hundred pounds of adrenaline!

Wanna try it all before I die
Won't find me sittin' back to watch the world go by
Gonna do it to it - never stop
Eight short seconds to the top
I can't seem to get my fill
And here's my latest thrill...

Fifteen hundred pounds of adrenaline
Gonna ride this rocket ship until I win
If it's the end of me, notify my next of kin
Fifteen hundred pounds of adrenaline!
Feel it kickin' in
Do it all again
