

Crosby & Nash, Girl To Be On My Mind

Graham Nash

Come another year-and I am sitting here
Looking over all the Haight
As far as my eyes can see
What's happening to me? Trying to find
A girl to be on my mind.

Come another year-will she be here?
I wonder what I'm looking for
But I'm looking everyday
Searching every face-trying to find
A girl to be on my mind.

On my mind there is a question
Time-time
Only time will tell when time is right
I await my resurrection
Feeling fine

Come another year-will I be sitting here
Looking after someone else
Who's looking after me
That's happiness to me-so I am trying to find
A girl to be on my mind.
