## Crosby & Nash, To The Last Whale: Critical Mass

Over the years you have been hunted by the men who throw harpoons And in the long run he will kill you Just to feed the pets we raise Put the flowers in your vase And make the lipstick for your face

Over the years you swam the ocean Following feelings of your own Now you are washed up on the shoreline I can see your body lie It's a shame you have to die To put the shadow on our eye

Maybe we'll go
Maybe we'll disappear
It's not that we don't know
It's just that we don't want to care
Under the bridge
Over the foam
Wind on the water
Carry me home
