

# Crosby, Stills & Nash, Feel Your Love

High on a balcony, right where we used to be  
This city dancing like a sparkling sea  
I wanna catch a wave, I wanna swim to shore  
Walk on that same beach like I did before

I really want the sun, want the sun to rise  
I really want to end the night  
I really wanna feel, wanna feel your love  
I wanna feel your love

I think of our old friends, I count my enemies  
I hear you tell me how I don't know love  
I wanna feel your love, I wanna lay right down  
Wish I was swimming in the sound of love

I really want the night, want the night to end  
I really want the sun to rise  
I really wanna feel, wanna feel your love  
I wanna feel your love

And now the night is still, the mansion on the hill  
The children sleeping in their endless dreams

I wanna feel your love, I wanna feel your love  
I wanna feel your love, feel your love, feel your love

I wanna feel your love, I wanna feel your love  
I wanna feel your love, feel your love, feel your love
