

Crosby, Stills & Nash, He Played Real Good For

I slept last night in a good hotel
I went shopping today for jewels
The wind rushed around the dirty town
And the children let out from their schools

I was standing on a noisy corner
I was waiting for the walking green
Across the street he stood
And he played real good
He was playin' real good for free

Me I play for fortunes
And those velvet curtain calls
I got a black limousine and about thirty-seven criminal
Escorting me to this halls

And I'll play if you have some money
Or if you're a friend to me
But that one-man band by the quick lunch stand
He was just playin' real good for free

Nobody, I say nobody, nobody stopped to hear him
Though he played so sweet and high
They knew they had never seen him on their TV screen
So they passed his music by

Me I meant to go over ask for a song
Maybe put on a harmony
I heard his refrain as the signals changed
He was still playin' real good for free
