

# Crosby, Stills & Nash, Into The Darkness

Into the darkness soon you'll be sinking  
What are you doing? What can you be thinking  
All of your friends have been trying to warn you  
That some of your demons are dying to drag you

Away (Into the darkness) into the darkness  
Into the darkness away

All of your life you've been making your payments  
Alone on the phone with your business arrangements  
No wonder no one could ever get near you  
You're screaming too loud no one can hear you

I see you coming to the end of the day  
And was it worth it? No one can say  
I see your face it is ghostly pale  
Into the sunset we are watching you sail

Temperature's rising over the rainbow  
What are you hiding? Afraid of your shadow  
We have been trying, trying to find you  
There's no use denying our love is behind you

Stay out of the darkness  
Out of the darkness stay
