

Crosby, Stills & Nash, See The Changes

She has seen me changing
It ain't easy rearranging
And it gets harder as you get older
Farther away as you get closer

And I don't know the answer
Does it even matter?
I'm wonderin' how

(Instrumental (Acoustic Guitar))

Ten years singing right out loud
I never looked was anybody listening
Then I fell out of a cloud
I hit the ground and noticed something missing

Now I have someone
She has seen me changing
And it gets harder as you get older
And farther away as you get closer

And I don't know the answer
Does it even matter?
I'm wonderin' how

(Instrumental (Acoustic Guitar))

Seems like something out of a dream
I had years ago yes, I remember screaming
Nobody laughing all the good times
Getting harder to come by without weeping

Now I have someone
She has seen me changing
And it gets harder as you get older
And farther away
