Crosby, Stills, Nash & Young, Feel Your Love

(4:09)

Written by Neil Young, Published by Silver Fiddle Music (c) 1988. Recorded: July 21st, 1988.

High on a balcony, right where we used to be, This city dancing like a sparkling sea. I wanna catch a wave, I wanna swim to shore. Walk on that same beach like I did before.

I really want the sun, want the sun to rise, I really want to end the night.
I really wanna feel, wanna feel your love.
I wanna feel your love.

I think of our old friends, I count my enemies. I hear you tell me how I don't know love. I wanna feel your love, I wanna lay right down. Wish I was swimming in the sound of love.

I really want the night, want the night to end. I really want the sun to rise. I really wanna feel, wanna feel your love. I wanna feel your love.

And now the night is still, the mansion on the hill, The children sleeping in their endless dreams.

I wanna feel your love, I wanna feel your love, I wanna feel your love, feel your love.

I wanna feel your love, I wanna feel your love, I wanna feel your love, feel your love.
