

# Cross Canadian Ragweed, Broken

Ain't it true what they say  
Every dog has his day  
I never had mine  
I guess it was time  
Send me on down the line  
One piece at a time  
She got her way  
I bet it made her day  
Through me off to the side  
Took me out for a ride  
Kicked me down to the curb  
Now for all that it's worth  
I'm lookin' to find  
One that's broken like mine  
Chorus:  
Broken like mine  
Or some piece of mind  
I'll be happy when I find  
A love less unkind  
Broken like mine  
I wish I was in her shoes  
With nothin' left to lose  
Carry myself down  
To the lonely side of town  
Tell her just how I feel  
I need something now that's real  
Don't you tell me that love is blind  
A heart ain't got that kind of time  
Unless it's broken like mine  
(Repeat Chorus)  
(Repeat Chorus)
