

Cross Canadian Ragweed, Help Me (Get Over Th

If I seem to run to you, if I seem to turn to you right away,
It's cause I seen it in your eyes, I believe you my friend,
Won't you help me get over this now?

- Won't you help me get over this mountain, help me get over this hill.
Help me get over this mountain, help me get over this now. -

I hope I don't embarrass you with all my feelins
I'm only cryin' to you cause I'm not scared.
Well you said you'd be honest, and you'd always be true,
And you said you would see me through...and you would

- Help me get over this mountain, help me get over this hill.
Help me get over this mountain, help me get over this now. -

You gave me a shoulder to lean on, and a path to follow.
You took me to the clearings of this deep dark hollow.
Like some dark forest, you're gonna walk me through
And the next place I stepped, it's the only thing new.

I found answers in the eyes of a young one,
And anceint ones have answered me, too.
While I was searhin' my soul, all the signs that I read,
They seem to direct me to you...they said you'd

- Help me get over this mountain, help me get over this hill.
Help me get over this mountain, help me get over this now.
