

# Cross Canadian Ragweed, Much Better Now

Well I guess you could say I've been takin' it too hard,  
Thinkin' about me and nobody else.

I never thought that I would get down this far,  
Walkin' around talkin' to myself.

But I'm feelin' much better now than I have been.

Well, lately things they make alot of sense.

I'll still find a way to piss them off somehow

But I'm feelin' much better now.

-You know, people - - sometimes they drive me crazy.

Well I've done some drivin' of my own.

Yeah they're stickin'their nose in my business...

Well why can't they leave me the hell alone?

But I'm feelin' much better now than I have been.

Well, lately things they make alot of sense.

I'll still find a way to piss them off somehow

But I'm feelin' much better now.

Well I'm not opposed to your conversation.

I like to throw things down on the floor.

Well I'm glad they don't know what I'm thinkin'... Some folks wouldn't like me anymore.

But I'm feelin' much better now than I have been.

Well, lately things they make alot of sense.

I'll still find a way to piss them off somehow

But I'm feelin' much better now.

But I'm feelin' much better now than I have been.

Well, lately things they make alot of sense.

I'll still find a way to piss them off somehow

But I'm feelin' much better now.
