

# Cross Canadian Ragweed, Rainy Day Women 12

Well they stone ya when you try to be so good  
Stone ya just like they said they would  
Stone ya when you're walkin' down the street  
Stone ya when ya try to keep your seat  
Well I would not feel so all alone,  
Everybody must get stoned.

Stone ya when you try to cop a feel  
Stone ya when you're drinkin' down ????  
Stone ya when you're drivin' in your car (I taught him well)

Stone ya when you're playin' your guitar  
Well I would not feel so all alone,  
Everybody must get stoned.

Well they stone ya when you're walkin' down the street  
Stone ya when ya try to keep your seat  
Stone ya when you sit down in your grave  
They stone ya when you try to be so brave  
Well I would not feel so all alone,  
Everybody must get stoned.  
Well I would not feel so all alone,  
Everybody must get stoned.  
Well I would not feel so all alone,

Everybody must get stoned.
