

Cross Section, Hi Heel Sneakers

Put on your red dress baby
'Cause we're going out tonight
Put on your red dress baby
'Cause we're going out tonight
I'm gonna wear some boxing gloves
In case some fool might want a fight

Put on your hi-heel sneakers
Put your wig hat on your head
Hey, put on your hi-heel sneakers
Slap that wig right on your head
Well, I'm pretty sure now baby
Now you know you know you're gonna knock 'em dead

Put on your hi-heel sneakers
Put your wig hat on your head
Hey, put on your hi-heel sneakers
Slap that wig right on your head
Well, I'm pretty sure now baby
Now you know you know you're gonna knock 'em dead
