

Crossfade, The Unknown

Can you hear me
Can you see any part of me
Can you feel me
Can you bleed for me

Can't you see me walking in your shoes
Can't you feel me stepping all over your soul
Can't you feel me reach into you
Can't you feel me walkin over your soul
Can't you feel me wait in pain
Can't you feel me reach into you

Can't you see me walking in your shoes
Can't you feel me stepping all over your soul
Can't you feel me reach into you
Can't you feel me walking over your soul
Can't you feel me wait in pain
Can't you feel me reach into you

Can't you feel me walking over your soul
Can't you feel me wait in pain
Can't you feel me reach into you
