

# Crowbar, Conquering

Twisting All That I saying and doing  
Abandonment  
Burning even in pleasure  
I burning  
Melting away  
Impact  
Taking the impact  
Look back  
Take time to look back  
Die in my own way

Conquering  
In time I conquering

Growing  
The urging and needing are growing  
Rotting in me  
Over  
It happening over and over  
Die in my own way
