

# Crowbar, My Agony

Look at me now  
Stare into my eyes  
Deep into my soul  
The pain I feel  
It's stronger than life  
It's taken control  
My mind is gone  
I'm dying inside  
I'm falling apart  
In agony  
I see no way out  
The pain's in my heart

It's killing me  
God take it away  
I just can't go on  
I'm suffering  
I pray for the end  
It's lasting too long
