Crowded House, Black And White Boy

Black and white boy black and white boy you're so extreme vou're so confused color me in whatever mood I'm in I could be still in touch with you And you're full of the wonder of spring it's all sweetness and lightness you bring and a room full of people fall to your infinite charm but when darkness should quickly descend you go quietly, my miserable friend to the depths of despair you will crawl black and white boy Black and white boy black and white boy you're so extreme you're so confused color me in whatever mood I'm in I could be still in touch with you When you shake off the shadows of night and your eyes are so clear and so bright you'll make fools of the liars and creeps put a rose in my cheeks but when demons have climbed on your back you are vicious and quick to attack and you put on a wonderful show do you really, really think I don't know? black and white boy And you run like a cat to the cream and you're acting so nice it's obscene you put on a wonderful show do you really, really think I don't know? black and white boy
