Crowded House, My Telly's Gone Bung

My telly's gone bung What am I to do about the ABC My telly's gone bung What am I to do about my predicament My telly's gone bung I plugged it it in and it turned me off again

I've waited up for you To come alive and bring some truth back to me yeah Cos I'm where I wanna be in front of my TV

My telly's gone bung What am I to do about Kylie & amp; Jason now My telly's gone bung I don't really care for their predicament

I've waited up for you To come alive and bring some truth back to me yeah Cos I'm where I wanna be in front of my TV

If it was up to me I'd let these people see What people do I've been watching you too

I've waited up for you To come alive and bring some truth back to me yeah Cos I'm where I wanna be in front of my TV

If it was up to me I would let these lovely people see If it was up to me If it was up to me
