

# Crowned King, Impatiene

What goes on inside your mind  
And with your skin I'd like to find  
'Cause when I'm with you feels like I am not alone  
You set this up for several weeks  
I'm breakin down, I'm on my knees  
And if you feel how I feel, I have gotta know  
Because I need to know

Baby if you don't care, then don't care  
Baby if you dont know, then don't share  
I'm calling for an answer, I'm not scared  
And it's not fair (not fair), but it's okay (it's okay)

And all this time of wanting you  
I think that we should see this thorough  
I wont give up on us, I'd rather shoot and miss  
'Cause we could be the best of friends, from the signals that you send  
It makes me wonder if you want me more than this  
Because I need to know

Baby if you don't care, then don't care  
Baby if you don't know, then don't share  
I'm calling for an answer, I'm not scared  
And it's not fair (not fair), but I don't care  
Baby if you don't care, then don't care  
Baby if you don't know, then don't share  
I'm calling for an answer, I'm not scared  
And it's not fair (not fair), but I don't care (dont care)

Faaaar aaaawaaaaaay  
So faaaar aaawaaaaaay

(screaming)

And baby if you don't care, don't care  
If you don't know, don't share  
I'm calling for an answer, I'm not scared  
And it's not fair, but I don't care  
Yet I don't care  
Yet I don't care  
Yet I don't care  
Yet I don't care  
Yet I don't care (don't care)  
Yet I don't care (don't care)  
Yet I don't care (don't care)  
Yet I don't care, DON'T CARE
