

# Crucified, All You Need

you, you don't know  
what it's like to be free  
you, a slave to sin  
just let him in  
and then you'll see  
you can be brand new  
you know it's true  
his love will reign  
he, he shed his blood  
for you and me  
we caused his pain

(chorus)

Jesus blood is all you need

you, you silly fool  
what will it take  
to prove his love  
they, they spit on him  
they peirced his hands  
he gave his life  
you, you find your life  
you gain the world  
you lose your soul  
lose your life to him  
deny yourself  
and then you'll win

(chorus)

Jesus blood is all you need
