

Crucified, I'm Not A Christian Punk

looking for a way
that's just not God's
a c. or a p.?
make up your mind
light and dark
they just don't mix
we love you all but something needs to be fixed

it's ridiculous
there's something wrong
christian punk?
what a hopeless joke

christian this
christian that
christian groups
christian clique's
I think we've had enough
it's not just the punk
it's holding to the world
it's not prejudice
it's what the bible tells

(chorus)

I'm not a christian punk
that's exactly what I'm running from
