

# Cruel Intentions, You Blew Me Off

When I said,  
I love you  
You blew me off  
It turned me on

You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off it turned me on

All or nothing  
More or less  
You assault me ruthlessly  
Oh you're the best

You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off it turned me on

You don't understand you see  
Your not suppose to take on me  
You don't understand you see  
That's just how it's gotta be

If you ignore me  
You get my respect  
When you turn to hug me  
I like you less

You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off it turned me on

What are you doing  
Callin' me on the phone  
Sayin' Bobby come back  
Won't ya leave me alone

You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off (it turned me on)  
You blew me off it turned me on

You don't understand you see  
Your not suppose to take on me  
You don't understand you see  
That's just how it's gotta be
