

Cruiserweight, Envelope

Your mailbox stood from the ice and the rust

From the very beginning I always trusted

Our ability to write it all down

Oh and how

The focus modeled by the hot and the cold

And the gamut running from patient to trashed

Somewhere in Richmond, VA

It matters not for me tonight

I can pull it together in my envelope

(Uh, oh) I can send it anytime (Oh, oh, anytime)

Oh, oh, oh envelope

I send it every time (oh, oh, every time)

But, hot and cold

Hot and cold

Hot and cold won't travel through envelopes

In my sleep no ups and downs were braver than a barrel of bears

And the stretching, shrinking thousand miles is gone

But not for long

I'm drafting a treaty let this battle be done

My egotistical mouth sails silently through the mail

But the war already one

Over two and half damn years ago

The same message sent in your envelope

(Uh, oh) I can send it anytime (oh, oh, anytime)

Oh, oh, oh envelope

I send it every time (oh, oh, every time)

But, hot and cold

Hot and cold

Hot and cold

Hot and cold

And when the damage is done, damage is done

(I know)

I will write my way back home, my way back home

(You know)

And if it takes me too long, takes me too long

(Hold on)

Cause when the damage is done, damage is done

The only time I know I can always gather my

Through an envelope

Uh, oh

I can send it anytime (oh, oh, anytime)

Uh, oh, oh envelope

I send it every time (oh, oh, every time)

But, hot and cold, hot and cold

Hot and cold, hot and cold

Hot and cold, hot and cold

Hot and cold, won't travel through envelopes
